

# Product description

## Modell: Play Pro II K – take the challenge

**The certified competition Kendama Play Pro II K is the further development** of the successful Play Pro K competition model. Like its predecessor, it was **tested and developed as a competition model in collaboration with the best players in Europe**. For its **great alround talent**, the Play Pro II K is not only loved by the Pro's for competition usage. The **optimal dimensions**, its **weight distribution** as well as the **lacquer properties** combined with the used **premium beech wood** give the PLAY PRO II K its **unique perfection**.

Whether for **entry or competition at an international level**, the PLAY PRO II K is **your weapon of choice!**
